## **Forever Families Through Adoption, Inc.**

### ***The FFTA Story...***

Forever Families Through Adoption, Inc. (FFTA) is a New York and Connecticut authorized not-for-profit, adoption placement agency and resource center founded and staffed by social workers, attorneys, adoptees, and adoptive parents. We believe that every child has the right to grow up in a loving, nurturing, safe, secure, and forever home.

We strive to find homes for children available for adoption or who may otherwise end up in the state foster care system.

***“An unplanned pregnancy is not an unwanted child”***

**The funds raised as a result of tonight’s event support these FFTA programs:**

- Finding “forever homes” for children available for adoption
- Adoption education, outreach and awareness in the schools, hospitals, prisons and community
  - Socialization program for school age adoptees
