Forever Families Through Adoption, Inc.

The FFTA Story....

FFTA is for the Children

Forever Families Through Adoption, Inc. (FFTA) is a New York and Connecticut authorized, not-for-profit, adoption placement agency and resource center founded and staffed by social workers, attorneys, adoptees, and adoptive parents. We believe that every child eligible for permanent adoption, regardless of racial or ethnic background, age, or physical or emotional challenge, has the right to grow up in a loving, nurturing, secure, and forever home.

We have a fondness for and expertise in finding homes for “harder – to – place” children who may otherwise end up in the state foster care system.

“One day in state foster care is one day too many”

Contributions support these FFTA programs:

- Adoption education and awareness in the schools and community
- Adult adoptees mentoring program for young adoptees
- Finding “forever homes” for children of incarcerated women
